

Keep up the good work Alberta.

So far, you have recycled:

1.44 BILLION LITRES OF USED OIL
(SINCE 1997)

27 BILLION BEVERAGE CONTAINERS
(SINCE 1997)

17.6 MILLION LITRES OF PAINT
(SINCE 2008)

3.2 MILLION SPRAY PAINT CANS
(SINCE 2008)

123.4 MILLION USED OIL FILTERS
(SINCE 1997)

30 MILLION KG OF OF USED OIL CONTAINERS
(SINCE 1997)

7.7 MILLION COMPUTERS & TVS
(SINCE 2004)

100 MILLION TIRES
(SINCE 1992)

When it comes to recycling, there are very few folks on the planet that do it as well as Albertans. In fact, we're some of the best in the world at it and we recycle everything from beverage containers, tires and used oil to computers, paint and so much more.

Just a few billion things we can be proud of.
