In consideration of Tire Recycling Alberta ("TRA") registering the Landfill identified on the front side of this Registration Update under the *Designated Material Recycling and Management Regulation* (Alta Reg.93/2004), and in consideration of the Landfill's agreement to carry out duties in accordance with the *Environmental Protection and Enhancement Act* (the "Act"), any regulations made under the Act (the "Regulations") and any bylaws made by TRA (the "Bylaws"), and in consideration of the covenants contained herein, the Landfill agrees as follows:

Landfill Bound by Bylaws of TRA

The Landfill acknowledges TRA's authority to make Bylaws and agrees to be bound by any Bylaws made by TRA.

TRA May Cancel or Suspend Registration

The Landfill acknowledges and agrees that TRA may cancel or suspend the registration of the Landfill if the Landfill contravenes the Act, the Regulations or the Bylaws. The Landfill acknowledges and agrees that TRA may cancel or suspend the registration of the Landfill:

- a) if the Landfill ceases to carry on business; or
- b) if the Landfill applies to surrender the Landfill's registration to TRA.

The Landfill agrees to surrender the Landfill's certificate of registration to TRA if the Landfill's registration is cancelled or suspended. The landfill understands and agrees that without a valid registration TRA or its agents cannot collect and transport designated material tires from the landfill.
