

Table of Fees for Tire Products

The following table helps clarify which tires should be charged Advance Disposal Surcharges ('environmental fees') when sold or supplied in or into Alberta and which products should not be charged.

This is not considered an exhaustive list. If you need assistance in clarifying whether or not to charge the environmental fee on a specific tire (or for any other information), please call Alberta Recycling toll-free at 1-888-999-8762 or email tires@albertarecycling.ca.
