Your account statement will detail the items outstanding on your account. Please see section 6 below for instructions to access a historical account statement or to generate a current account statement.

ARMA applies payments received to the oldest outstanding balance on your account. This may mean that a payment provided for a current invoice, such as an Environmental Fee Report, will be applied to older balances, such as outstanding interest charges.

To view the transactions that comprise your net account balance, select the 'Account History' tab and view the transactions in the 'Invoices' table and the 'Payments & Refunds' table.

As a registered Distributor it is your responsibility to keep your supplier and customer information up to date.

Suppliers – List all suppliers from whom you purchase program eligible material.

Customers – List all Alberta-based re-seller customers. These are customers who purchase program eligible material from you for the purpose of re-selling.

- c) Select the “My Suppliers & Customers” tab at the top of the Homepage
- d) Select “Add” above the supplier or customer section.

The screenshot shows the 'Distributor Homepage' for Northwest Territories Electronics. The user is logged in as 'Northwest Territories Electronics' with Program Registration Number R00003802. The 'My Suppliers & Customers' tab is selected. A warning message asks if suppliers and customers are up to date. Below are two empty tables for 'My Suppliers' and 'My Customers', each with an 'Add' button and columns for Company Name, Location, Program Reg No., Supplier Type, Date Added, and Manage.

- e) Enter the business name in ‘Search for a business’. When you locate the correct business, click on it to select it. You can repeat this step to add as many suppliers or customers as you need to.
- f) If a business name does not show up in the search you will need to add it manually by selecting “Add Supplier Manually” and entering the required information and clicking “Add Supplier”. You will also have the option to upload documents that prove your relationships with your suppliers and customers e.g. invoices showing that you pay the fees directly to your suppliers.

- g) When you have finished adding all your suppliers or customers, select “Add” and your suppliers/customers will now show up on your main list.

Add Suppliers

Please select all companies who supply your business with Program Eligible Paint.
