Registered Electronics Processor:

Attach Pilot Material Scale Ticket Copy

Attach Completed Material Transportation Manifest

CERTIFICATION

I certify the following:

1. This request for collection funding is made under the Alberta Recycling Management Authority (ARMA) Expanded Electronics Recycling Program (the PILOT PROGRAM) and is subject to the terms and conditions of the PILOT PROGRAM.
2. To the best of my knowledge, all of the information contained within this municipal collection funding request is correct. I understand this information is subject to audit and the detailed records which substantiate the information herein are available upon request.
3. To the best of my knowledge, the End-of-Life PILOT electronics (ePilot) collected and for which I have submitted this funding request originated in Alberta and is eligible for funding under the program.
4. The collection transaction for which funding is claimed hereunder involves an actual transfer of title and risk to an arms-length Registered Processor that is actively in operation and using the electronics for a purpose allowed by the Program.
5. Collection funding is being claimed only for eligible ePilot Materials that includes residential Small Appliances, Audio Visual Equipment, Telecom, Power Tools, Games, Toys and Music, Solar Panels and Lawn and Garden as detailed at www.armaepilot.com/product-list/
6. The above registered collection site meets the Registered Electronics Municipal Collection Site Pilot Program Requirements.

Solar Panels were collected <input type="radio"/> Yes <input type="radio"/> No		
Valid Scale Ticket Weights - Digitally Printed, Processor Scale Ticket		
ePilot shipped to a Registered Processor for recycling		

1. Enter the PILOT Materials scale ticket weight for the shipment.
2. Divide kilograms by 1000 for Total Eligible Tonnes. Keep to three decimal points to avoid calculation error.
3. Multiply the Total Pilot Tonnes by \$155

Pilot Materials Scale Ticket Weight (Kg)	
Calculate Tonnage	÷ 1000
Total Tonnes (Use three decimal places)	
Calculate Funding	X \$155 per tonne
Pilot Funding Request \$
