

# COMMUNITY AUTHORITY REGISTRATION ON BEHALF OF COMMUNITIES (PPP AND HSP)

- Opened Oct. 2, 2023.
- Community authorities (e.g.: waste commissions operating on behalf of multiple communities) can pre-register once for all the communities they represent.
- Community authorities upload one completed registration application form for each community represented.
- Community authorities can expect to have discussions with Producers/PROs regarding collection services in the communities they represent.
- Services for communities will commence either on Apr. 1, 2025, or Oct. 1, 2026, depending on the phase each community falls into.
